

## Submission Point 2 (5%)

TEAM ID	Group 5
Personas	The three personas provided are good and meet the requirements of this document. These would be useful as you proceed to the design process.
User storyboards	The storyboards look good and would be relevant in the design and development processes.
Information architecture report	The Information Architecture Report provided needs to be revised. It should explicitly contain an illustrated report on the process and results of the card sort and tree testing exercises. The process and results should be under separate sub-headings.
Site plan	The site plan meets this document's standard requirements and would be helpful in the design and development processes.
<b>Overall feedback and mark</b>	<b>The group provides good responses to the documents. However, for submission, I encourage you to address the comments on the information architecture report.</b> <b>Mark: 4/5</b>
